RUST PREVENTERS & REMOVERS

RUST PREVENTERS AND REMOVERS	
Easy Phos	An all-in-one phosphate, degreaser and sealer for protection of bare metal. Specifically formulated as a pre-paint treatment for steel, galvanised steel and aluminium. Easy to apply by aerosol, spray gun or brush.
Lanotec Steel Seal	Protects 4WD and light vehicle underbody and chassis rails, jet skis, trailers, caravans and motors. Protects cargo from corrosion during shipping. Protects all agricultural vehicles and fertiliser and chemical storage facilities and equipment. Provides drill pipe protection, including threads and casing. Prevents further rusting on already rusted areas
Phos Rinse	Concentrated acidic cleaner formulated to remove algae stains, rust marks, water scale, oxidation, soap and body fats, fresh concrete and most stubborn stains. Acts as a corrosion inhibitor and rust converter, thus eliminating damaging rust and metal fatigue.
Rusted Solutions - Easy Clean	Chrome and stainless steel cleaner targeting light rust on any metal and tea staining on stainless steel, without damaging the surrounding area. Organic and environmentally friendly.
Rusted Solutions - Easy Shield	Protective coating for stainless steel, chrome, aluminium & brass. Stops tea staining for up to 12 months.
Rusted Solutions - Rust Remover Gel and Soak	Re-usable, non-toxic, non-hazardous and non-flammable. Will not damage good chrome, paint, rubber, plastic, gel coat or timber. The soak comes as a ready-to-use or concentrate, and is great for soaking small parts. The gel is great to use in hard to access places and vertical surfaces. The end result is clean bare metal for proper surface preparation.
