AEROSOLS

Bolt Off

Bolt Off 400g

Penetrates rust, corrosion and scale. Leaves parts in reusable condition. Stops squeaks. Frees sticky mechanisms. Protects metal.

Car Groomers / SlipStream

Air Care Sanitiser - Vehicle Air Treatment
Aerosol

Treats odours throughout the cabin and right through the air conditioning system. Does not mask odours, but neutralises the particles that create odour. Removes mould & kills bacteria in evaporative cooling system. Available in fragrances Apple, Cherry, Lemon, Leather.

Handipac

Air Duster 250g

Provides a pressurised blast to loosen dirt and dust. Commonly used on computer equipment, keyboards, etc.

Carby Cleaner

Suitable for all types of carburettors. It removes residual build ups and deposits and ensures a cleaner running engine.

Electronic Contact Cleaner 350g

Safe effective way to clean electronics, components, switches and circuit boards. Fast acting, quick drying formula. Helps break down and remove dust, dirt, oils and residues.

Silicone Spray 350g

Lubrication and protection for most surfaces including rubber, vinyl, leather, metals and plastics. Creates a waterproof barrier to resist corrosion and moisture.

Lanotec

Citra-Force 400g

Organic Methyl Ester, industrial-strength cleaner and natural degreaser.

General Purpose Liquid Lanolin 400g

Multi-purpose penetrant, lubricant and corrosion inhibitor.

Heavy Duty Liquid Lanolin 400g

Heavy duty lubricant and corrosion inhibitor, ideal for highly-corrosive environments.

Steel-Seal 400g

High-performance corrosion inhibitor.

Molytec	
Aero Spark 350g	Diesel or petrol engine starting fluid.
Electrical Contact Cleaner	Fast drying, non-corrosive, non-staining cleaning solvent. Evaporates completely. Ideal for removing contaminants from sensitive electrical and electronic parts.
Liquid Spanner 400g	High strength, heavy-duty penetrating and releasing fluid for use on heavily corroded nuts, bolts and machinery parts.
Multilube 300g	Multi-purpose lubricant that sprays on as a liquid and then sets to a tacky grease.
White Spray Grease 300g	Waterproof aluminium complex food-grade grease designed to give lubrication and protection.
Slip Slide & Glide 200g	Dry film lubricant with resin-bonded PTFE that provides a thin film of fast-drying lubrication.
Supa Squirt 400g	Powerful water dispersing, lubricating and penetrating fluid, containing PTFE.

QAT (Quality Auto Treatments)	
Air Intake Cleaner 150g	100% active blend of solvents, detergents and dispersants designed to remove gum, varnish and carbon deposits from air intake and combustion areas. Helps improve idling and economy and reduces exhaust emissions.
Brake Cleaner 400g	Suitable for all types of brakes. It removes road grime, oils and grease and ensures smoother and longer lasting brakes.
Chain Lube 400g	Advanced lubrication and protection properties, ideal on motor bike chains and other applications where long lasting protection against wear are needed. Contains advanced water and rust corrosion protectant.
Lubex 400g	A versatile spray lubricant designed for industrial and domestic applications. Contains no silicones or hazardous ingredients. Does not wash off with water and gives excellent corrosion protection to metal surfaces.
